

ESL

Great Class. Enjoyed it.

4 Higher Education (PhD)

5. Excellent Teacher, Very Personable

1. TESOL certificate.

2. I like her teaching method and class, she is patient with any questions of us.

1. Linguistics

2. I have had Dr. Wulff for several courses and she is probably the kindest best organized professor in the department

1. MA-ESL

2. Steffi is by far the best teacher I've ever had. She always goes above & beyond for her students and is always more than prepared.

1. Linguistics, ESL

2. The instructor was extremely organized (more so than ~~to~~ any professor I've had before). She responded promptly to emails. She was very helpful in class and the entire class was structured well. Great job!

1) MATEOZ

2) Steffi is a great instructor and was always very well-prepared for class and open to discussion, questions and ~~input~~ input. I LOVED the class workbooks she had printed for us! Always prompt to respond to emails and very helpful and encouraging

1. Curriculum and Instruction

2. Dr. Wulff was very punctual, knowledgeable, and easy to interact with week to week. She quickly responded to all emails and her expectations were very clear.

1. Curriculum + Instruction

2. Dr. Wolff was a good instructor. She was always well-prepared and animated. Her grading seemed fair and her enthusiasm made me want to learn more. I enjoyed her as a professor.

Masters Linguistics

Excellent professor

Dr. Wulff understood her audience and struck a nice balance between instruction for teachers and linguists.

I really appreciated that she considered what it was like to be a student in her class. Consequently, the class was educational and enjoyable. She had a clear idea of what she wanted us to learn. She also has a great sense of humor.
