Going for TESOL cert

The instructor was very knowledgeable in all areas encompassed by the class.

MA Linguistics

Professor is very knowledgeable and takes time to explain things thoroughly. The most organized professor I have ever had. Her organization makes the class much more effective and creates a much more positive learning environment.

learned lots of knowledge from her.

1. Logistics

2. The instructor was always on time and really knew the material. She was enthusiastic and always willing to help out the students if they needed it. Emails were responded to very quickly and assignments never took longer than two days to return.

Dr Wulff was knowledgeable and professional in conducting the class. I appreciate her prompt response to questions and returning tests and papers.

1. ESL

2. Steffi is remarkably well-organized & prepared. She is willing to meet w/ students whenever possible & makes herself readily available. She's always prepared & encourages discussion & debate amongst her students regardless of the level. She will make a wonderful full-tenured professor & is an incredible asset to the department.

Linguistics / ESL

Steffie is a great teacher. She is very knowledgeable and works very hard to make all material crystal clear. She is always prepared and offers interesting facts outside of the rigid lesson plans. She is very encouraging to students and never fails to suggest extra projects or papers that students could take on in areas of their interest. I look forward to having her as a teacher again 😊
