# LIN4721 Introduction to Second Language Acquisition (Spring 2021)

Instructor: Stefanie Wulff, Ph.D.
Office hours: Thursdays 12:30-1:30pm or by appointment (zoom meeting ID and passcode provided on Canvas)
Email: swulff@ufl.edu
Phone: 352-294-7455

## Class Meeting Times

This is a synchronous HyFlex class, which means that we will meet regularly on Tuesdays and Thursdays for class, with some of you in the classroom and some of you online. Even if you are one of the students who are coming to the classroom in person, please bring your laptop and headphones to all class meetings -- we will do some activities online together. All online meetings are on Zoom:

Tuesday meetings: 3:00-4:55pm (classroom: Matherly 0010; Zoom meeting ID and passcode provided on Canvas)
Thursday meetings: 4:05-4:55pm (classroom: Matherly 0010; Zoom meeting ID and passcode provided on Canvas)

Our class sessions may be audio-visually recorded for students in the class to refer back and for enrolled students who are unable to attend live. Students who participate with their camera engaged or utilize a profile image are agreeing to have their video or image recorded. If you are unwilling to consent to have your profile or video image recorded, be sure to keep your camera off and do not use a profile image. Likewise, students who un-mute during class and participate orally are agreeing to have their voice recorded. If you are not willing to consent to have your voice recorded during class, you will need to keep your mute button activated and communicate exclusively using the "chat" feature, which allows students to type questions and comments live. The chat will not be recorded or shared. As in all courses, unauthorized recording and unauthorized sharing of recorded materials by students or any other party is prohibited.

## Course Description

In this class, we will familiarize ourselves with key concepts, theories, and empirical research on child and adult second language acquisition (SLA).

## Course Objectives

By the end of this course, you will have acquired the ability to intelligently discuss aspects of the theory and practice of language learning based on knowledge of the scholarly research in the field. You will also have learned how to analyze learner data both for research purposes and to inform ESL teaching practice.

# Course Credit Requirements and Grading

**Terminology Reviews**: 27% (3% each)
You are responsible for 9 terminology reviews, each counting 3% towards your final grade. In these reviews, you are asked to provide short definitions (like in a glossary) for key terms and concepts covered in the referenced chapter. The terminology reviews are due on the dates listed on the course schedule and are submitted on Canvas.

**Exams**: 33% (11% each)
Exams. There are 3 exams. Each exam counts towards 11% towards your final grade. The exams will be due on the dates listed on the course schedule and are submitted on Canvas.

**Discussion Boards**: 30% (5% each)
You will participate in 6 Discussion Boards that summarize key content and give commentary on 6 video lectures that address different key issues in contemporary second language acquisition research. Specific instructions for each Discussion Board are provided on Canvas. The Discussion Board responses are due on the due dates shown on the course schedule and are submitted on Canvas.

**Research Participation/Lecture Attendance**: 10%
You will choose <u>one</u> of the following options to get credit of 10% towards your final grade:
1. participation in a research experiment: you can participate in any research experiment conducted on campus during the spring 2021 semester. The faculty member in charge of the research experiment should confirm your participation in an email to Dr. Wulff (swulff@ufl.edu). Proof of participation has to be submitted to Dr. Wulff by **22 April 5pm**.
2. lecture attendance: you can attend two language-related lectures (in the Department of Linguistics, World Languages and Literatures, Speech and Hearing Sciences, etc.). Proof of attendance (for example in the form of a screen shot or picture) has to be submitted to Dr. Wulff by **22 April 5pm**.
3.

# Attendance and Participation
Attendance is mandatory for all class meetings. You are allowed to miss up to three 50-minute class periods (lectures and TA sections combined) without any excuse. Each further unexcused absence will lower your grade by one level (e.g. from an A to A-). Excused absences must be consistent with university policies in:
<https://catalog.ufl.edu/ugrad/current/regulations/info/attendance.aspx>.

# Extra Credit and Make-up Assignments
There is one extra credit opportunity in this class: you can complete the Kognito training to earn 3 extra points. This assignment is available on Canvas like all other assignments. If you have three or more excused absences, please contact Dr. Wulff to discuss the possibility of a make-up exam or equivalent. You cannot make up for unexcused absences.

# Grading Scale

Your total score determines your final grade on this grading scale:

100-93=A; 92.9-90=A-; 89.9-87=B+; 86.9-83=B; 82.9-80=B-; 79.9-77=C+; 76.9-73=C(S); 72.9-70=C-(U); 69.9-67=D+; 66.9-63=D; 62.9-60=D-; 59.9-0=E. For information on current UF grading policies for assigning grade points, please go to <https://catalog.ufl.edu/UGRD/academic-regulations/grades-grading-policies>.

I aim to grade and give feedback on any course assignments as promptly as possible, within a week at the latest. For more information on how exactly each assignment will be graded, please read the [Grading Rubrics](#) page on Canvas.

# Classroom Etiquette

Please switch your cell phone to silent during class. If we are meeting on Zoom, mute your microphone unless you are speaking to minimize background noise for everyone. Please make every effort to arrive to class on time (even if it is on Zoom). Being more than 10 minutes late to the start of the course will count as an absence on each third occasion of such tardiness. We will familiarize ourselves with other rules of "netiquette" in the first week of classes; a summary of netiquette rules is on canvas.

# Technology and Materials Requirements

There is one required text book for this class: Ortega, Lourdes. 2009. *Understanding Second Language Acquisition.* London: Hodder Education [ORT]. This book is available as an e-book through the University of Florida library system. All other course materials will be available on CANVAS. To participate fully in this course, you will need to be able to access the Canvas course site, and log on to Zoom to attend our meetings on Tuesdays and Thursdays during class time.

# Student Accommodations

Students with disabilities who experience learning barriers and would like to request academic accommodations should connect with the disability Resource Center by visiting <https://disability.ufl.edu/students/get-started>. It is important for students to share their accommodation letter with their instructor and discuss their access needs, as early as possible in the semester.

# Course Evaluation

Students are expected to provide professional and respectful feedback on the quality of instruction in this course by completing course evaluations online via GatorEvals. Guidance on how to give feedback in a professional and respectful manner is available at <https://gatorevals.aa.ufl.edu/students>. Students will be notified when the evaluation period opens, and can complete evaluations through the email they receive from GatorEvals, in their Canvas course menu under GatorEvals, or via <https://ufl.bluera.com/ufl>. Summaries of course evaluation results are available to students at <https://gatorevals.aa.ufl.edu/public-results>.

# University Honesty Policy

UF students are bound by The Honor Pledge which states, "We, the members of the University of Florida community, pledge to hold ourselves and our peers to the highest standards of honor and integrity by abiding by the Honor Code. On all work submitted for credit by students at the University of Florida, the following pledge is either required or implied: "On my honor, I have neither given nor received unauthorized aid in doing this assignment." The Honor Code (<https://www.dso.ufl.edu/sccr/process/student-conduct-honor-code>) specifies a number of behaviors that are in violation of this code and the possible sanctions. Furthermore, you are obligated to report any condition that facilitates academic misconduct to appropriate personnel. If you have any questions or concerns, please consult with the instructor or TAs in this class.

# Software Use

All faculty, staff, and students of the University are required and expected to obey the laws and legal agreements governing software use. Failure to do so can lead to monetary damages and/or criminal penalties for the individual violator. Because such violations are also against University policies and rules, disciplinary action will be taken as appropriate. We, the members of the University of Florida community, pledge to uphold ourselves and our peers to the highest standards of honesty and integrity.
