- Cara L. Phillips, 2009 recipient of the Sidney W. and Janet R. Bijou Fellowship, Association for Behavior Analysis International.
- Jorge Reyes, 2009 recipient of the Applied Dissertation Award. American Psychological Association. Division 25.
- Amanda Bosch, 2009 recipient of the G.A.T.O.R. mentoring fellowship.
- Jolene Sy, 2009 recipient of the B.F. Skinner Foundation Scholarship, Florida Association for Behavior Analysis.
- Claire St. Peter Pipkin, 2010 recipient of the Eberly College Outstanding Public Service Award, West Virginia University, 2010.
- Jolene Sy, 2011 recipient of the University of Florida Behavior Analysis Research Award, February 2011.
- Jolene Sy, 2011 recipient of The Experimental Analysis of Human Behavior Special Interest Group Outstanding Scholarship Award, Association for Behavior Analysis, May 2011.
- Jeanne Donaldson, 2012 co- recipient of the University of Florida Behavior Analysis Research award.

Jeanne Donaldson, 2012 recipient of the University of Florida Psychology Department Schumacher Dissertation Award.

Kara Wunderlich, 2013 recipient of the Experimental Analysis of Behavior, Doctoral Research Grant. Society for the Advancement of Behavior Analysis.

Kerri Peters, 2013 recipient of the Schumacher Doctoral Dissertation Award. University of Florida.

Sarah Slocum, 2014. Autism Speaks Dennis Weatherstone Fellowship.

Stephen Walker, 2014 recipient of the Applied Dissertation Award. American Psychological Association. Division 25.

Kara Wunderlich, 2014 recipient of the B.F. Skinner Foundation Student Research Award. Berkshire Association for Behavior Analysis and Therapy.

Varsovia Hernandez (post doctoral fellow), 2014. Accepted into Mexican National System of Researchers.

Michele Traub, 2015. Graduate Student Teaching Award. University of Florida, College of Liberal Arts and Sciences.

Sarah Slocum, 2015 recipient of the O. Ruth McQuown Scholarship Award. Center for Women's Studies and Gender Research. University of Florida.

Kara Wunderlich, 2015 recipient of the College of Liberal Arts and Sciences Dissertation Fellowship.

Michele Traub, 2015. Cynthia W. Colangelo Award for Breast Cancer Awareness. University of Florida.

Sarah Slocum, 2016. University of Florida Behavior Analysis Research Award.

Sarah Slocum, 2016. Recipient of the University of Florida Pioneer Award for most outstanding Psychology graduate student.

Jonathan Fernand, 2016. Recipient of the B.F. Skinner Foundation Scholarship, Florida Association for Behavior Analysis.

P. Raymond Joslyn, 2017. Recipient of the Christopher Rubow Memorial Award. Psychology Department, University of Florida.

Jonathan Fernand, 2017. Recipient of the Behavior Analysis Research Award. Psychology Department, University of Florida.

Jeanne Donaldson, 2018 recipient of the APA Division 25 B.F. Skinner New Research Award (Applied).

Daniel Conine, 2018 recipient of the UF graduate student mentoring award.

Daniel Conine, 2018 recipient of the Speech Pathology and Applied Behavior Analysis Special Interest Group research grant.

Meghan Deshais, 2018 recipient of the Christopher Rubow Memorial Award. Psychology Department, University of Florida.

Eliana Pizarro, 2018 recipient of the O. Ruth McQuown Scholarship Award. Center for Women's Studies and Gender Research. University of Florida.

Faris Kronfli, 2018 recipient of the B.F. Skinner Foundation Scholarship, Florida Association for Behavior Analysis.

John Rapp, 2018 recipient of the Auburn University Alumni Professorship Award. Auburn University.

Daniel Conine, 2019 recipient of the Gerber Behavior Analysis Research Award. Psychology Department, University of Florida.

Faris Kronfli, 2019 recipient of the Christopher Rubow Memorial Award. Psychology Department, University of Florida.

Emma Grauerholz-Fisher, 2020 recipient of the Psychology Department Teaching Assistant Award. University of Florida.

Jason Bourret, 2020 recipient of the "Excellence in Teaching Verbal Behavior" award. Verbal Behavior Special Interest Group (Association for Behavior Analysis International).

Samuel Morris, 2020 recipient of the Gerber Behavior Analysis Research Award. Psychology Department, University of Florida.

Emma Grauerholz-Fisher, 2020 recipient of the Christopher Rubow Memorial Award. Psychology Department, University of Florida.

Meghan Deshais, 2020 recipient of the Graduate Mentor Award, Caldwell University.

Brandon Perez, 2021 recipient of the Christopher Rubow Memorial Award. Psychology Department, University of Florida.

Janelle Bacotti, 2021 recipient of the Spring Semester Goldman Award, Psychology Department, University of Florida.

Brandon Perez, 2021 recipient of the Graduate Student Teaching Award, University of Florida.

Daniel Conine, 2022 recipient of the Outstanding Research Award in Educational Psychology. Georgia State University.

Lindsay Lloveras, 2022 University of Florida Graduate Student Mentoring Award.

Savannah Tate, 2022 Ring Research Award, Psychology Department, University of Florida.

Lindsay Lloveras, 2022 Behavior Analysis Graduate Student Mentoring Award, University of Florida.

Janelle Bacotti, 2022 Department of Psychology Graduate Student Teaching Assistant Award, University of Florida.

Lindsay Lloveras, 2022 University of Florida Graduate Student Teaching Award.

Janelle Bacotti, 2022 Recipient of the Christopher Rubow Memorial Award. Psychology Department, University of Florida.

J. Stephanie Gonzalez. 2022 recipient of the Bijou Fellowship. Society for the Advancement of Behavior Analysis.

Savannah Tate, 2023 recipient of the Christopher Rubow Memorial Award. Psychology Department, University of Florida.

Catherine Kishel, 2023 recipient of the Psychology Department Teaching Assistant Award.

J. Stephanie Gonzalez. 2024 recipient of the Christopher Rubow Memorial Award. Psychology Department, University of Florida.

Angela Van Arsdale, 2024 recipient of the Gerber Behavior Analysis Research Award. Psychology Department, University of Florida.

Pendergrass, Janae', 2024 recipient of Innovative Student Research Grant. Society for the Advancement of Behavior Analysis.

Pendergrass, Janae', 2024 recipient of Innovative Student Research Grant in Diversity, Equity, and Inclusion. Society for the Advancement of Behavior Analysis.

Courses taught

Undergraduate

Applications in Behavior Modification and Therapy (UF)

Applied Behavior Analysis (UF/LSU)

Introduction to Psychology (LSU)

Psychology of Learning (LSU)

Introduction to Psychology--Honors (LSU)

Psychology of Adjustment: Behavioral self-management (LSU)

Behaviorism in Contemporary Society (UF)

Special topics: Behavior analysis in Developmental Disabilities (UF)

Special topics: Behavior analysis Across the Lifespan (UF)

Applied Behavior Analysis Laboratory (UF)

Graduate

Functional Analysis of Severe Behavior Disorders (LSU, UF)

Applied Behavior Analysis (LSU)

Behavior Analysis in Developmental Disabilities (UF)

Applied Behavior Analysis (UF)

Behavioral Parenting (UF)

Proseminar in Behavior Analysis (UF)
 Professional and Ethical Issues in Behavior Analysis (UF)
 Professional Development in Behavior Analysis (UF)
 Verbal Behavior (UF)

Professional committees

Behavior Program Review Committee, Tacachale, Gainesville, Florida, 1989-1992.
 American Psychological Association, Division 33, Program committee, 1992.
 Chair, Behavior Review Committee, Southwest Developmental Center, Iota, Louisiana. 1995.

Lifescape, Sioux Falls, South Dakota (2019-2023)

New England Center for Children, Massachusetts (2024-2025).

St. Mary's Residential Community and Services (Boyce, LA) (2025-current).

Brock University (Canada). Program review. (2025)

Grants and contracts

1994 (Co-PI) --(LSU) Johnny Matson and James Midgely, PI. Program evaluations for dually diagnosed individuals. State of Louisiana (approx. \$50,000).

1995(PI)-- ((LSU) Louisiana State University Summer Research Award (\$4000).

1999 (PI) -- (UF). CLAS research award. University of Florida, College of Liberal Arts and Science (\$12,000).

2000 (PI)--(UF). Assessment of students' preferences for behavioral treatment. University of Florida Opportunity Fund (\$34,000). 2000-2001.

2001-2004 (PI)-- Laboratory evaluations of a common behavioral treatment. NIMH (\$140,352).

2001-2004 (PI)-- Destructive behavior and matching theory. NICHHD (\$138,114).

2001 (PI)-- University of Florida Applied Behavior Analysis Family Safety Initiative. Florida Dept. of Children and Families/Family Safety (\$1,061,692). 2001-2002

2002 (PI)--University of Florida Applied Behavior Analysis Family Safety Initiative: Year 2. Florida Department of Children and Families/Family Safety (\$1,373,540). 2002-2003.

2003 (PI)—University of Florida Applied Behavior Analysis Family Safety Initiative: Year 3. Florida Department of Children and Families/Family Safety (\$1, 817, 586). 2003-04.

2003 (PI)—University of Florida Applied Behavior Analysis Family Safety Initiative: Addendum. Florida Department of Children and Families (\$18, 112). 2003-04.

2004 (PI)—University of Florida Behavior Analysis Services Program. Florida Department of Children and Families (\$2, 218, 752). 2004-05.

2004 (PI)—Seguin Behavioral Services. Tacachale/Agency for Persons with Developmental Disabilities (\$53, 959). 2004-05.

2005 (PI)—University of Florida Behavior Analysis Services Program. Florida Department of Children and Families (\$2, 624, 975).

2005 (PI)—Seguin Behavioral Services. Tacachale/Agency for Persons with Developmental Disabilities

- (\$55,000). 2005-2006.
- 2006 (PI)—Seguin Behavioral Services. Tacachale/Agency for Persons with Developmental Disabilities (\$57,000). 2006-2007.
- 2006 (PI)-- University of Florida Behavior Analysis Services Program. Florida Department of Children and Families (\$2,624,975).
- 2007 (PI)—Seguin Behavioral Services. Tacachale/Agency for Persons with Developmental Disabilities. (\$62,000). 2007-2008.
- 2007 (PI)—University of Florida Behavior Analysis Services Program. Florida Department of Children and Families. (\$2,624,975).
- 2008 (PI)—Heartland for Children University of Florida Behavior Analysis. Heartland for Children Agency (\$297,389).
- 2008 (PI)—University of Florida Behavior Analysis Services Program, Florida Department of Children and Families (\$218,798).
- 2008 (PI)—Seguin Behavioral Services. Tacachale/Agency for Persons with Developmental Disabilities. (\$62,774).
- 2009 (PI)—Heartland for Children University of Florida Behavior Analysis. Heartland for Children Agency (\$297,389).
- 2009 (PI)-- Seguin Behavioral Services. Tacachale/Agency for Persons with Developmental Disabilities. (\$62,774).
- 2010 (PI)—Addendum--Heartland for Children University of Florida Behavior Analysis. Heartland for Children Agency (\$196,101)
- 2010 (PI)-- Seguin Behavioral Services. Tacachale/Agency for Persons with Developmental Disabilities. (\$62,774).
- 2010 (PI)—Heartland for Children University of Florida Behavior Analysis. Heartland for Children Agency (\$297,389).
- 2011-2013 (Co-PI) Mark Lewis (PI) — Developing a novel treatment for restricted and inflexible behavior. NIMH. (\$393,407).
- 2011-2012 (PI). Heartland for Children, University of Florida Behavior Analysis. Heartland for Children Agency (\$297,389).
- 2011-2012 (PI) — Seguin Behavioral Services. Tacachale/Agency for Persons with Developmental Disabilities. (\$66,110).
- 2013-2014 (Co-PI) Mark Lewis (PI) — Developing a novel treatment for restricted and inflexible behavior. NIMH. (no cost extension).
- 2014-2016 (co-PI/mentor). Sarah Slocum (PI). An evaluation of two emergency procedures to treat severe escape behavior. Autism Speaks Weatherstone Fellowship. \$59,000.
- 2014-2015. (co-PI). Jennifer Elder (PI). Building capacity and forging collaborations in autism research for underserved families. Patient-centered outcomes research institute (PCORI). \$15,000.
- 2014-2016 (PI). UF and Florida Autism Center Collaboration Contract Years 1-2: Behavior Analysis Research Clinic. Florida Autism Center. (up to \$240,000).
- 2015-2016 (PI). Functional assessment and intervention. Iowa Department of Education. (\$215,000).
- 2016-2017 (co-PI). Jennifer Elder (PI). Collaborative Autism Research: Tier 2. Patient-Centered Outcomes Research Institute (PCORI) \$15,000.
- 2016-2017 (PI). University of Florida Peer Review, Florida Autism Center. \$99,840.
- 2017-2018 (PI). Behavior analysis clinical collaboration Year 3. Florida Autism Center. \$249,000.
- 2017 (PI). Behavior analysis and parent training. Magruder Foundation. \$10,000.
- 2017-2018 (PI). University of Florida Peer Review (YEAR 2), Florida Autism Center. \$99,840.
- 2017 (Co-PI). Jennifer Elder (PI). Collaborative Autism Research: Tier 3. Patient-Centered Outcomes Research Institute (PCORI) \$59,000.
- 2018 (PI). Behavior analysis and parent training Year 2. Magruder Foundation. \$10,000.
- 2018-2019 (PI). Clinical Quality UF and Florida Autism Center. \$266,147.
- 2019-2020 (PI). Clinical Quality UF and Florida Autism Center. Year 2. \$161,387.

2020-2021 (PI). Clinical Quality UF and Florida Autism Center. Year 3. \$161,167.

2020-2021 (PI). Monroe County School District teleconsultation and consultation model via Behavior Analysis Research Clinic (BARC). \$40,000.

2020-2021 (Janelle Bacotti, PI. Vollmer, PI mentor). Disparities in accessing ABA services: A quantitative and qualitative analysis. UF Center for Autism and Neurodevelopment. \$19,736.

2021 (PI). Clinical Quality UF and Florida Autism Center. Year 3 amendment. \$106,067.

2021-2022 (PI). Peer consultation and specialty clinics. Florida Autism Center. \$558,794.

2021-2022 (PI). Monroe County School District teleconsultation and consultation model via Behavior Analysis Research Clinic (BARC). \$110,000.

2022-2023 (PI). Peer consultation and specialty clinics. Florida Autism Center. \$589,121.

2022-2023 (PI). Monroe County School District (BARC). \$110,000.

2023-2025 (PI). Peer consultation and specialty clinics. Florida Autism Center. \$1,189,499 (two years).

2023-2024 (PI). Monroe County School District (BARC). \$110,000.

2024-2025 (PI). Monroe County School District (BARC). \$110,000.

2025-2027 (Faculty). (K. Peters and V. Ibañez, PI). Peer consultation and specialty clinics. Florida Autism Center/Blue Sprig Pediatrics (1,507,562 total). **Vollmer responsibility = \$108,350**

2025-2027. Monroe County School District (BARC). \$110,000

Invited Panel: Peters, K.P., & Vollmer, T.R. (July, 2024): Curbside consult. PRISMS 12th Annual International Conference. Dallas, Texas.

Invited Address: Vollmer, T.R., Peters, K.P., McGarry, K., & Soda, T. (July, 2024). The role of pain and discomfort in aggressive and self-injurious behavior. PRISMS 12th Annual International Conference. Dallas, Texas.

Invited Panel: Harned, A., Vollmer, T.R., Fahmie, T., & Miklos, M. (August, 2024). Recognizing Brian Iwata, celebrating his legacy. National Autism Conference. Harrisburg, PA.

Invited Address: Vollmer, T.R. (August, 2024). Parents are people too 2. National Autism Conference. Harrisburg, PA.

Invited Address: Vollmer, T.R. (October, 2024). Further discussion on impediments to effective behavioral intervention: important measurement considerations. Russian Association for Behavior Analysis (virtual).

Invited Address: Vollmer, T.R. (October, 2024). A to-do list. Berkshire Association for Behavior Analysis and Therapy.

Invited Address: Vollmer, T.R. (February, 2025). Impediments to effective behavioral intervention along with proposed solutions. DAXTA, Brazilian audience (on-line).

Invited Webinar: Vollmer, T.R. (April 30, 2025). Careproviders are people too. Pennsylvania Early Interventionists.

Invited Address: Vollmer, T.R. (August, 2025). The trouble with “ignoring” behavior in school settings. National Autism Conference. Pennsylvania State University.

Invited Address: Vollmer, T.R. (August, 2025). Repeated measurement of pain and discomfort symptoms. National Autism Conference. Pennsylvania State University.

Workshops and Lectures (samples)

Approaches to Behavior Management in Developmental Disabilities. Clinical Neuroscience Conference. University of Pennsylvania School of Medicine. Philadelphia, Pennsylvania. July, 1997.

Functional analysis in school settings. California Association for Behavior Analysis. San Francisco, California. January, 1999.

Functional analysis: The basics and recent research. Texas Association for Behavior Analysis. Dallas, Texas. March, 1999.

Careprovider training for procedures based on functional analyses. Utah State Developmental Center. September, 1999.

Deriving treatments from functional analyses. Utah State Developmental Center. September, 1999.

Functional assessment: From referral to follow-up. Florida Association for Behavior Analysis. September, 1999.

Noncontingent reinforcement as treatment for children with autism and related disorders. Florida Atlantic University. Boca Raton, Florida. May, 2000.

New approaches to the assessment and treatment of severe behavior disorders in natural settings. St Petersburg, Florida. August, 2003.

A behavior analysis model of choice. St. Tammany Parish Schools, St. Tammany Parish, Louisiana. September, 2003.

Contemporary issues in special education. College of Education. The Ohio State University (Teleconference). November, 2003.

A behavior analysis model for understanding and managing severe behavior disorders. Behavior Analysis Society of Illinois. Chicago, IL. April, 2004.

- Behavior analysis models of choice. ABC interventions workshop series. St. Petersburg, Florida. April, 2004.
- Behavioral treatments derived from a functional analysis. St. Tammany Parish Schools, St. Tammany Parish, Louisiana. November 2004.
- Functional analysis. Pennsylvania State University. March, 2005.
- Using functional behavioral assessment to address problematic behavior. Center for Autism and Related Disorders (CARD). Jacksonville, Florida. June, 2005.
- Assessment and treatment of severe behavior disorders displayed by children diagnosed with autism. Savannah, GA. September, 2005.
- Functional analysis and descriptive assessment of severe behavior disorders. Florida Institute of Technology, February, 2006.
- Behavioral assessment of low rate, high severity behavior. Florida Institute of Technology. January, 2007.
- Replacing problem behavior with appropriate behavior. The Applied Behavior Analysis Masters Series. Orlando, Florida. March, 2007.
- Functional analysis of severe behavior disorders: what we know and do not know. University of Florida (Jacksonville) Center for Autism and related disorders. September, 2007.
- Applied Behavior Analysis in autism: What it is and what it is not. Families Helping Families Association. St. Tammany Parish, Louisiana. December, 2007.
- Applied Behavior Analysis in autism: Part 2. Families Helping Families Association. St. Tammany Parish, Louisiana. February, 2008.
- Functional Assessment. Victory School and Miami Center for Autism and Related Disabilities (CARD). (with Andrew Samaha). February, 2008.
- Applied Behavior Analysis. Davenport Community School District. June, 2009.
- Assessment and Treatment of Severe Behavior Disorders in Developmental Disabilities. Davenport Community School District. July, 2009.
- Applied Behavior Analysis: Treatment of behavior disorders and development of replacement skills. St. Tammany Parish School District. January, 2010.
- Differential Reinforcement. North Carolina Association for Behavior Analysis. Winston-Salem, NC. February, 2010.
- Factors influencing treatment integrity. St. Tammany Parish School District. Covington, LA. March, 2010.
- Functional Analysis and Treatment of Socially and Automatically Reinforced Problem Behavior. St. Tammany Parish Public Schools. St. Tammany Parish, LA. November, 2010.
- Social and automatic reinforcement of severe behavior disorders. St. Tammany Parish, LA. November, 2010.

Five suggestions for reducing severe behavior disorders. Kinark Group. Toronto, ONT. March, 2012.

Behavioral Parenting. Workshop presented at the New Jersey Association for Behavior Analysis summer meeting. Rowan University, New Jersey. July, 2012.

Rules of thumb for the treatment of behavior disorders. Berkshire Association for Behavior Analysis and Therapy. September, 2012.

New Directions in the assessment and treatment of severe behavior disorders. Broward ARC, Ft. Lauderdale, Florida. August, 2013.

Contemporary approaches to the treatment of severe behavior disorders. Children's Care, South Dakota. December, 2013.

Functional assessment and behavioral intervention in school settings. Monroe County Schools. April, 2014.

How to publish your research in behavioral journals (with K. Wunderlich). Berkshire Association for Behavior Analysis and Therapy. September, 2014.

Assessment and treatment of severe behavior disorders among individuals with intellectual disabilities and autism. Lake Ridge Community Support Services. Ajax, Ontario, Canada. October, 2014.

Differential Reinforcement as a Way of Life in School Settings. Delaware Most at the Coast Conference. Sussex Consortium, Delaware. November, 2014.

New Directions in the assessment and treatment of severe behavior disorders among students with autism and intellectual disabilities. New Brunswick (Canada) Department of Education Early Learning Series. January, 2015.

Contemporary issues in applied behavior analysis. Broward ARC, Ft. Lauderdale, FL., December, 2015.

Automatically reinforced behavior. Webinar for the Atlantic Provinces (Canada) Special Education Authority. March, 2016.

Ethical considerations in the assessment and treatment of sex offenders with intellectual disabilities (with Jorge R. Reyes). Berkshire Association for Behavior Analysis and Therapy. October, 2016.

Recent advances in the assessment and treatment of behavior disorders. Workshop at the Applied Behavior Analysis in Autism Conference. Rome, Italy. June, 2017.

Functional analysis and treatment of behavior disorders. Workshop at Della Luna ABA Clinic. Bari, Italy. June, 2017.

Careprovider behavior and careprovider training. Pennsylvania State University, August, 2017.

Legal and ethical issues in the written functional assessment and behavioral intervention plan. Pennsylvania State University, August, 2017.

Vollmer, T.R., Deshais, M., Pizarro, E., Slanzi, C., Kronfli, F., Slocum, S., & Perez, B. Three benefits of a functional analysis approach. Workshop at the Applied Behavior Analysis in Autism 2 Conference. Rome, Italy. July, 2018.

Legal and ethical issues related to behavioral intervention plans. Turning Pointe. Aurora, IL. July, 2018.

Differential reinforcement as a way of life 1. National Autism Conference, Pennsylvania State University. State College, PA. August, 2018.

Differential reinforcement as a way of life 2. National Autism Conference, Pennsylvania State University. State College, PA. August, 2018.

Functional analysis derived treatments and the role of extinction. Pennsylvania State University, State College, PA. August, 2018.

Assessment and treatment of self-injury and related disorders. 2019 General and Special Education Conference. Seattle, WA. March, 2019.

Current issues in behavioral research on behavior disorders. Caldwell University. Caldwell, NJ. April, 2019.

Impediments to behavioral treatment. Lifescape. June, 2019.

A step-wise approach to behavioral consultation I. National Autism Conference. State College, PA. August, 2019.

A step-wise approach to behavioral consultation II. National Autism Conference. State College, PA. August, 2019.

Behavioral treatment when extinction is not an option. Pennsylvania State University. State College, PA. August, 2019.

Impediments to effective behavioral treatment. Melmark. Andover, MA. October, 2019.

Impediments to effective behavioral treatment. Turning Pointe. Aurora, Illinois. February, 2020.

Functional analysis and treatment of severe behavior disorders: Historical roots and present-day applications. University of Tampere. Tampere, Finland. March, 2020.

Vollmer, T. R., Donaldson, J. M., Joslyn, P. R. (2020, June). The Good Behavior Game. Webinar hosted by Mind the Kids (Italy).

Considerations for home-bound treatment in autism. (Italy Conference of Applied Behavior Analysis; remote). July, 2020.

Reconsidering the differential reinforcement of alternative behavior (Italy Conference of Applied Behavior Analysis; remote). July, 2020.

Impediments to behavioral treatment (Italy Conference of Applied Behavior Analysis; remote). July, 2020.

DRA when extinction is not an option. Butterfly Effects; remote. July, 2021.

Florida State University, Panama City. Distinguished Lecturer Series. (T. R. Vollmer, L.Lloveras, K.Peters, V. Ibañez, C.McKeown, S.Smith, & S. Tate). The why question: Ethical, clinical, and research implications for behavioral assessment. January, 2022.

Taking Behavior Analysis to the Next Level. Vollmer, T.R., Bacotti, J.K., Peters, K.P., Kronfli, F.R., Ibañez.V.,Perez, B.C., Tate, S.A., McKeown, C.A. Florida/Fusion Autism Centers. Atlanta, GA. May, 2022.

Considerations in the use of extinction in behavioral interventions. Alpine Learning Center (online invited presentation). July, 2022.

Five things we could do better. National Autism Conference. Pennsylvania State University. August, 2022.

Functional analysis, extinction, and differential reinforcement. Invited graduate lecture, Department of Special Education. Pennsylvania State University. August, 2022.

Pediatric feeding disorders. Invited Discussant. Mind the Kids, Italy. V. Ibañez (co-presenter). September, 2022.

University of South Dakota: Past and future directions for functional analysis research and practice. June, 2023.

Functional Analysis and Treatment of Severe Behavior. Pennsylvania State University. Department of Special Education. August, 2023.

Impediments to effective behavioral intervention. Florida Institute of Technology. Department of Behavior Analysis. October, 2024.

Symposia and Panels Chaired at Professional Meetings

Vollmer, T.R. *Treatment of behavior disorders using noncontingent schedules of reinforcement*. 20th annual meeting of the Association for Behavior Analysis, Atlanta, GA. May, 1994.

Vollmer, T.R. *Functional analysis: some current issues in assessment and intervention for severe behavior problems*. 21st annual meeting of the Association for Behavior Analysis, Washington, D.C. May, 1995.

Vollmer, T.R. *Noncontingent reinforcement as reinforcement for severe behavior disorders: An emerging methodology*. 22nd annual meeting of the Association for Behavior Analysis: San Francisco, CA. May, 1996.

Vollmer, T.R. *Recent research on stimulus preference assessments*. 23rd annual meeting of the Association for Behavior Analysis, Chicago, ILL. May, 1997.

Vollmer, T.R. *Treatment of severe behavior disorders based on functional analysis outcomes*. 24th annual meeting of the Association for Behavior Analysis: Orlando, FL. May, 1998.

Vollmer, T.R. *Current research on behavioral assessment*. 18th annual meeting of the Florida Association for Behavior Analysis: Daytona Beach, FL. September, 1998.

Vollmer, T.R. *Evaluations of functional analysis methods*. 25th annual meeting of the Association for Behavior Analysis: Chicago, IL. May, 1999.

Vollmer, T.R. *Assessment of severe behavior disorders: Descriptive and experimental analysis methods*. 19th annual meeting of the Florida Association for Behavior Analysis: Tampa, FL. September, 1999.

Vollmer, T.R. *Descriptive analyses of severe problem behavior: Recent advances and future directions*. 26th annual meeting of the Association for Behavior Analysis: Washington, D.C. May, 2000.

Vollmer, T.R. *Reinforcement effects, preference, and related learning processes*. 20th annual meeting of the Florida Association for Behavior Analysis: Daytona Beach, FL. September, 2000.

Vollmer, T.R. *The University of Florida Applied Behavior Analysis/Family Safety Initiative*. 28th annual meeting of the Association for Behavior Analysis. Toronto, Ontario. May, 2002.

Vollmer, T.R. *Recent research on behavioral assessment, treatment, and skill acquisition in developmental disabilities*. 22nd annual meeting of the Florida Association for Behavior Analysis: Daytona Beach, FL. September, 2002

Vollmer, T.R. *Developments in child abuse and neglect research*. 29th annual convention of the Association for Behavior Analysis. San Francisco, California. May, 2003.

Vollmer, T.R. *Current research on response maintenance and reduction*. 23rd annual meeting of the Florida Association for Behavior Analysis: St. Petersburg Beach, Florida. September, 2003.

Vollmer, T.R. *Behavior analytic bridge studies: Addressing issues of application via basic research*. 30th annual convention of the Association for Behavior Analysis. Boston, Massachusetts. May, 2004.

Vollmer, T.R. *Relating descriptive analysis and indirect assessments to functional analysis outcomes*. 30th annual convention of the Association for Behavior Analysis. Boston, Massachusetts. May, 2004.

Vollmer, T.R. *Presidential symposium: On the relationship between basic and applied research*. 24th annual meeting of the Florida Association for Behavior Analysis. Orlando, Florida. September, 2004.

Vollmer, T.R. *Behavioral assessment and treatment for sex offenders with mental retardation*. 31st annual meeting of the Association for Behavior Analysis. Chicago, IL. May, 2005

Vollmer, T.R. (Chair). *Basic research models of clinical disorders and clinical treatments*. 32nd annual Association for Behavior Analysis Conference. Atlanta, GA. May, 2006.

Vollmer, T.R. (Chair). *Behavioral Assessments and Component Analyses to Improve Interventions*. 26th annual meeting of the Florida Association for Behavior Analysis, Daytona Beach, Florida. September 2006.

Vollmer, T.R., (Chair). *Behavior Analysis in Child Welfare: Legal and Ethical Issues*. 27th annual meeting of the Florida Association for Behavior Analysis. Jacksonville, Florida. September, 2007.

Vollmer, T.R. (Chair). *Behavioral assessments for covert problem behavior*. 28th annual meeting of the Florida Association for Behavior Analysis. Bonita Springs, Florida. September, 2008.

Vollmer, T.R. (Chair). *Behavioral assessment for covert behavior problems*. 35th annual meeting of the Association for Behavior Analysis International. May, 2009.

Vollmer, T.R. (Chair). *An Evaluation of Factors Affecting Behavioral Assessment and Treatment in Autism and Developmental Disabilities*. 30th annual meeting of the Florida Association for Behavior Analysis. Orlando, FL. October, 2010.

Vollmer, T.R. (Chair). *Contemporary Issues in Child Behavior Management*. 30th annual meeting of the Florida Association for Behavior Analysis. Orlando, FL. October, 2010.

Vollmer, T.R. (Chair). Sex offending: Prevention and intervention. 31st annual meeting of the Florida Association for Behavior Analysis. Daytona Beach, Florida. September, 2011.

Vollmer, T.R. (Chair). Recent research on stimulus preference and reinforcement efficacy. 31st annual meeting of the Florida Association for Behavior Analysis. Daytona Beach, Florida. September, 2011.

Vollmer, T.R. (Chair). Recent research on behavioral assessment. 32nd annual meeting of the Florida Association for Behavior Analysis. Jacksonville, FL. September, 2012.

Vollmer, T.R. (Chair). Novel methods for teaching skills to children with disabilities. 34th annual meeting of the Florida Association for Behavior Analysis. Bonita Springs, FL. September, 2014.

Vollmer, T.R. (Chair). Applied behavior analysis and autism research. 35th annual meeting of the Florida Association for Behavior Analysis. Daytona Beach, FL. September, 2015.

Vollmer, T.R. (Chair). A celebration of the lifetime and contributions of Henry S. Pennypacker. 44th annual meeting of the Florida Association for Behavior Analysis. Miami, FL. September, 2024.

Vollmer, T.R. (Chair). A celebration of the lifetime and contributions of Brian A. Iwata. 44th annual meeting of the Florida Association for Behavior Analysis. Miami, FL. September, 2024.

DISCUSSANT IN SYMPOSIA AT PROFESSIONAL MEETINGS

Vollmer, T.R. (in J. McCommas, Chair). *Assessment and treatment of behavior maintained independent of social reinforcement*. 21st Annual meeting of the Association for Behavior Analysis: Washington, D.C. May, 1995.

Vollmer, T.R. (in J. Lalli, Chair). *Multidisciplinary research on medical issues concerning children*. University Affiliated Programs, annual symposium. University of Pennsylvania, Philadelphia, PA. May, 1998.
