

Otrhaná chalupa

Otrhaná chalupa
A zlá žena k tomu
Ty dvě věci vyženu
Hospodáři z domu

Ó ženo má ženo má
Zle mi hospodaříš
Čtyři hrnce kobzali
Potom zelí vaříš

The shack

The shack is falling apart
And the wife is mean to boot
These two things
Will chase every man from his home

Oh my wife, my wife
What kind of housekeeping is this
First four loads of potatoes
Then you cook cabbage

*he would have preferred bacon
