

Sirota na svatbě

Hanyško Hanyško
Veseló svatbo máš
Jenom se podívej
Keho tady němáš

A ty tady nemáš
Svej starej maměnke
Už na ní narostle
Zelenej travěnke

A u tvej maměnke
Koláče na stole
U jeho maměnke
Tam chleba něbude

A u tvej maměnke
Vstávej dcero milá
U jeho maměnke
Vstávej mrcho shnilá

Orphan wedding

Hannah, little Hannah
Such a merry wedding you've got
Just look around
Who is missing

Your old mommy
Is missing
Green grass
Is already growing on her

At your mom's
There was pastry on the table
At his mom's
There won't be even bread

At your mom's
It was "Wake up, dear daughter"
At his mom's
"Wake up, rotten bitch"
