MAC 2313 Analytic Geometry and Calculus 3  Summer 2017

Instructor: Endrit Fejzullahu
Office: Little 429
E-mail: efejzullahu@ufl.edu
Office Hours: Tuesdays and Thursdays 6th period, or by appointment.
Text: Calculus: Early Transcendentals, 8th edition, James Stewart (an electronic version of the book is included in the WebAssign purchase).
Class meets during 5th period in Little 203.

**Description:** We will cover chapters 12, 13, 14, 15 and 16 in Stewart’s book.

**Grading:** The grade will be determined as follows

- 12.5% Online homework
- 17.5% Quizzes
- 50% Three midterm exams
- 20% Final exam

**Online homework:** Homework will be assigned through WebAssign. There are no extensions, but 50 WebAssign points will be dropped.

**Quizzes:** There will be weekly quizzes. There are no makeup quizzes, but in the end some quiz grades will be dropped.

**Exams:** There will be three midterm exams and a final. For the midterms, about 65% of the points will be from multiple choice problems, with the remaining points being free-response problems. The final exam will be all multiple choice problems. All exams begin at 8:30pm. The dates for the midterms are: May 30th, June 16th, July 17th. The final exam will on August 3rd.

**Homework:** Suggested problems will be assigned weekly, but they will not be collected. Students are expected to work on these. Some suggested problems will be used in the quizzes.

The student’s letter grade is based on the following scale: $A \geq 90\%, B+ \geq 87\%, B \geq 80\%, C+ \geq 77\%, C \geq 70\%, D+ \geq 67\%, D \geq 60\%, E < 60\%$.
