Jonathan H. Hamilton

Biography

Research Interests:

Public Economics, Game Theory, Location Theory

Education:

Ph.D., Massachusetts Institute of Technology, 1982; B.A., Yale University, 1976.

Professor Hamilton teaches competitive strategy in the MBA program, game theory, industrial organization, and mathematical techniques in the Ph.D. program, and law and economics in the undergraduate program.

His research focuses on theoretical public economics with a focus on models of tax competition and optimal income taxation. Recently, he has studied prescription drug pricing and guarantees in art auctions. Professor Hamilton has been a visiting faculty member at CORE (Université Catholique de Louvain), Duke University, the Institut d'Anàlisi Econòmica (Universitat Autònoma de Barcelona), and the University of Virginia. He served as Editor of the *Southern Economic Journal* from 1997 to 2003, and later as Vice-President and President of the *Southern Economic Journal*, advising the Association. Currently, he serves as Counsel to the *Southern Economic Journal*, advising the Association on business matters with the *Journal*. From 1995 to 2004, he was an Associate Editor of *Regional Science and Urban Economics*.

In the Warrington College of Business Administration, Professor Hamilton was the R. Perry Frankland Professor of Economics from 2005 to 2014. From 2009 to 2014, he served as a faculty leader for the MBA Global Immersion Experience in China.
