

“I So Liked Spring”

I so liked Spring last year  
    Because you were here;—  
        The thrushes too—  
Because it was these you so liked to hear—  
    I so liked you.

    This year's a different thing,—  
        I'll not think of you.  
But I'll like the Spring because it is simply Spring  
    As the thrushes do
