RESEARCH INTEREST

My research explores human-environment interactions through transdisciplinary approaches encompassing environmental governance, political ecology, institutional analysis, and participatory research. Much of my work focuses on mountain peoples and the Latin American experience with community-based forest and water management, coffee production and value chains, common-pool resources, adaptation to global change processes, protected areas, sustainability, globalization, belief systems, and human rights.

PROFESSIONAL EXPERIENCE AND APPOINTMENTS

- 2020 - Associate Director of Academic Affairs, Center for Latin American Studies, University of Florida, Gainesville
- 2017 - Professor, Department of Anthropology & Center for Latin American Studies, University of Florida, Gainesville
- 2015 - Associate Professor, Department of Anthropology & Center for Latin American Studies, University of Florida, Gainesville
- 2015 - Affiliated Faculty, Tropical Conservation and Development Program, University of Florida
- 2012 -15 Chair, Department of Anthropology, Indiana University, Bloomington
- 2009 -15 Associate Professor, Department of Anthropology, Indiana U, Bloomington
- 2003-09 Assistant Professor, Department of Anthropology, Indiana U, Bloomington
- 2004 - Affiliated Faculty, Vincent & Elinor Ostrom Workshop in Political Theory & Policy Analysis, Indiana U, Bloomington
- 2004 - Adjunct Faculty, School of Public and Environmental Affairs, Indiana U
- 2003 - Associated Faculty, Center for the Study of Institutions, Population, and Environmental Change (CIPEC), Indiana U, Bloomington
- 1996-03 Postdoctoral Research Associate, CIPEC, Indiana U, Bloomington
- 1994-95 Teaching Assistant, Anthropology Department, University of Arizona, Tucson
- 1993 Program Assistant, Farming Systems Research and Extension Program, Bureau of Applied Research in Anthropology, U of Arizona, Tucson
- 1992-93 Teaching Assistant, Anthropology Department, U of Arizona, Tucson
- 1991-93 Translator, Spanish Colonial Documents Section, Documentary Relations of the Southwest, Arizona State Museum, Tucson
- 1991-92 Research Assistant, Bureau of Applied Research in Anthropology, U of Arizona, Tucson
- 1987-90 Program Coordinator, Immunology Practice Group, Boston Children's Hospital
- 1986-87 English as a Second Language Teacher, Colegio Lord Byron, Arequipa, Peru
- 1984-86 Research Assistant, Department of Anthropology, U of Mass., Amherst

EDUCATION

- 1996 Ph.D. University of Arizona, Tucson (Anthropology)
1989 Northeastern University, Boston, MA (Summer Program, Economics)
1989 Harvard University, Cambridge, MA (Extension School, Economics)
1987 M.A. University of Massachusetts, Amherst (Anthropology)
1983 B.A. Gustavus Adolphus College, St. Peter, Minnesota (Interdisciplinary Major:
"Humanity: Unity in Diversity" - Anthropology/Biology/Philosophy)

PUBLICATIONS

Books

- 2017 *Coffee Culture: Local Experiences, Global Connections. Second Edition.* New York: Routledge Press. (substantially updated including 3 new chapters)
2011 *Coffee Culture: Local Experiences, Global Connections. First Edition.* New York: Routledge Press.

GRANTS FOR WORKSHOPS, SEMINARS AND CONFERENCES

Conference Travel Grant of the College of Liberal Arts & Sciences, University of Florida, to present a paper and lead a workshop at the International Association for the Study of the Commons in Lima, Peru. July 1-5, 2019.

Conference Travel Grant of the Department of Anthropology, University of Florida, to present a paper at the Annual Meeting of the American Association of Geographers in Washington, DC. April 3-6, 2019.

Conference Travel Grant of the Center for European Studies, University of Florida, to present a paper at the International Geophysical Union Conference in Moscow. June 4-6, 2018.

Conference Travel Grant of the College of Liberal Arts and Sciences, University of Florida, to participate in a workshop and chair a panel at the Latin American Studies Association Conference in Barcelona, Spain, May 22-27, 2018.

Conference Travel Grant of the Ostrom Workshop in Political Theory and Policy Analysis, to present a paper at the Biennial Meeting of the International Association for Study of the Commons, Kitafuji, Japan, June 3-7, 2013.

Center for Latin American & Caribbean Studies, Conference Grant, to present a paper at the Latin American Studies Association Biennial Meetings, San Francisco, CA, May 24-26, 2012.

Overseas Conference Grant of the Office of the Vice President for International Affairs, Indiana University, to participate in the Biennial Conference of the International Association for the Study of the Commons (IASC) and the Biennial Meeting of the International Forestry Resources and Institutions (IFRI) Research Program, Hyderabad, India, January 6-14, 2011.

Center for Latin American and Caribbean Studies, Conference Grant, to present at the American Anthropological Association Annual Meetings, New Orleans, November 18-21, 2010.

Center for Research on Environmental Studies, Workshop Grant, "Climate Change, Plant Pests and Land Cover Transformation: Confronting challenges to sustainable coffee production in Mexico and Central America," Indiana University, Bloomington, IN, September 26-30, 2010.

Multidisciplinary Ventures and Seminars Fund, "Building Sustainable Food Knowledge and Practices: An Interdisciplinary Seminar Series." [Principal Organizer, in collaboration with C. Barbour, R. Roy Chowdhury, and B. Schultz] Office of Academic Affairs and Dean of Faculties, Indiana University, September 2009 – May 2010.

Overseas Conference Grant of the Office of the Vice President for International Affairs, Indiana University, to participate in the Biennial Conference of the International Association for the Study of the Commons (IASC) and the Biennial Meeting of the International Forestry Resources and Institutions (IFRI) Research Program. Cheltenham, England, July 10-18, 2008.

Pacific Rim Research Program of the University of California, Interdisciplinary Workshop Grant, "Adaptive Capacity and Social-Environmental Change: Assessing the Future of Smallholder Coffee Systems in the Mesoamerican Pacific Rim" [CO-PI with Hallie Eakin (Principal Investigator), Helda Morales and Edwin Castellanos]. January –December 2008.

AWARDS AND RECOGNITIONS

- 2018-21 Fulbright Flex Fellowship for Research and Teaching in Honduras, "Building Collaborations to Strengthen Honduran Coffee Enterprises Amidst Economic and Environmental Challenges."
- 2014 Featured Scholar, Global Learning Center, University of Illinois, Chicago
- 2013 Fellow, Academic Leadership Seminar, Committee on Institutional Cooperation (Consortium of "Big Ten" Conference Universities and affiliates)
- 2011 Sustainability Course Development Fellowship, "Ecology and Society." Indiana University
- 2010 Collaborative Research and Creative Activity Summer Stipend Award, "Comparative Analyses of Reforestation Trends in São Paulo and Indiana: Factors Influencing Landowner Decisions," Office of the Vice Provost for Research, Indiana University
- 2009 Trustees' Teaching Award, Indiana University
- 2008 Fellow, Society for Applied Anthropology (SfAA), United States
- 2007 Outstanding Session Prize for "Natural resource management, science and spirituality: Intersections shaping Latin America's environment." School for Advanced Research on the Human Condition and the Latin American Studies Association
- 2007 Research Fellowship, "Cultural Resilience and Transformation: Lenca Culture Humanities Institute, Indiana University
- 2006 Summer Faculty Fellowship, "Indigenous Institutions, Collective Action and the Conservation of Biodiversity in Oaxaca, Mexico," Indiana University
- 1992-93 Graduate Registration Scholarship, University of Arizona, Tucson
- 1990-91 Graduate College Fellowship, University of Arizona, Tucson
- 1983 Phi Beta Kappa
- 1983 B.A. Magna cum Laude
- 1979-83 National Merit Scholarship

RESEARCH NETWORKS & INTERNATIONAL COLLABORATIVE WORK

- 2016 - Ecosystems services (ESs) and common-pool resources (CPRs) research collaboration – international team conducting a systematic review of theoretical intersections of ESs & CPRs, including M. Smid Hribar, M. Urbanc, N. Bogataj, A. Gunya, L. Piani, M. Sigura.
- 2015-18 Environmental governance and value systems research group – international collaboration of social scientists exploring how value systems may influence natural resources governance and human-environment interactions. Organized by Andreas Muhar, Universität für Bodenkultur (BOKU), Vienna, Austria
- 2011 - Mountain Sentinels Network - international collaboration of social and natural scientists addressing pathways toward sustainable management of mountain regions and adaptation to climate change, using integration of data, spatial analysis, dynamic modeling and transdisciplinary methods

- 2002-15 Mesoamerican multinational collaboration exploring coffee growers' adaptations to market volatility, climate change, and alternative trade certifications with researchers of ECOSUR, Mexico, Universidad del Valle de Guatemala, Universidad Autónoma Nacional de Costa Rica, Indiana University, USA, and Arizona State University, USA
- 1996-2015 International Forestry Resources and Institutions (IFRI) Research Program collaborating research center coordinator for Indiana University (Network of 24 collaborating research centers in North America, Latin America, Africa and Asia, studying forest management with a shared set of protocols and interdisciplinary methods)
- 1998-2001 CIPEC Research Project Leader, "Community institutions and migration in Oaxaca, Mexico," Collaborative research with the Estudios Rurales y Asesoría (ERA) and the Universidad Nacional de México (UNAM)
- 1997-2000 CIPEC Research Project Leader, "Community-based forest management and land cover change in Honduras" with the Municipality of La Campa, Honduras.
- 1999-2003 Research Project Co-Leader [with Leticia Merino] Centro Regional para Investigaciones Multidisciplinarias (Universidad Nacional Autónoma de México) and CIPEC, "Community institutions and forest change in the Monarch Butterfly Reserve in Michoacán, Mexico."
- 1991 Graduate Research Assistantship, University of Georgia Exploratory Research Grant "Factors related to community participation in health care, Tres Ríos, Costa Rica" [Principal Investigator James Carey], June-July 1991.
- 1984-1985 Graduate Research Assistantship, National Science Foundation, "Consequences and responses to illness among Andean peasants, Nuñoa, Peru" [Principal Investigator R. Brooke Thomas], June 1984- May 1985.

INVITED PRESENTATIONS AND KEYNOTE LECTURES

- 2019 "Coffee's Wicked Problems and Hints of Hope" Invited Talk, Coffee Research Symposium, University of Florida, Gainesville, October 19.
- "Betting on Hope: Honduran Smallholder Coffee Producers and Cooperatives in Contexts of Climate Change, Market Volatility and Certifications. Invited presentation for the MaGrann Conference, Rutgers University, New Brunswick, NJ, October 2-4.
- 2018 "Cultura de Café, su Adaptación y Crisis en América Central" (Coffee Culture, Adaptation, and Crisis in Central America). Invited presentation for the Week of Humanities in celebration of the 22nd Anniversary of the Regional University Center of the Occident, National Autonomous University of Honduras (UNAH-CUROC), Santa Rosa de Copán, Honduras, October 24.
- "How to govern forest commons for multiple interests and stakeholders?" Keynote lecture presented at the Advisory Board Workshop of the project "Drafting the platform for tourism and recreational use of forests," sponsored by the Faculty of Law, University of Ljubljana, Slovenia, June 18.
- 2016 "Understanding Common-Pool Resources and Their Governance: Ostrom's Legacy and Current Challenges." Keynote lecture for the International Workshop, "Public Private Partnerships for Ecosystem Services Governance: Untapped Potential of Common Pool Resources Institutions" sponsored by the Anton Melik Geographical Institute and the Slovenian Academy of Science and Art, Ljubljana, Slovenia, May 19-20.
- "Producing Vulnerabilities, Agrarian Change and Livelihoods in the Coffee Lands." Invited presentation, National Science Foundation Workshop organized by C. Bacon and I. Stewart-Frey, University of Santa Clara, CA, April 2.

- 2015 “Lessons from the Coffee and Global Change Project.” Invited paper for the UNESCO Workshop: Exploring Frameworks for Tropical Forest Conservation. Xalapa, Veracruz, Mexico. December 6-8.
- “The Role of Human-Nature Relationship Concepts in the Governance of Social- Ecological Systems In Mountain Areas.” Invited discussant, Synthesis Workshop on Governance and Value Systems, sponsored by the Mountain Resources Initiative and BOKU (University of Natural Resources & Life Sciences, Vienna). Lungau Biosphere Reserve, Salzburg Province, Austria, May 2-7.
- “Conflict, Compromise & Cooperation: Community-based water committees in Honduras. Sponsored lecture for the 64th Center for Latin American Studies Annual Conference, University of Florida, Gainesville. March 27-28.
- 2014 “Understanding Human-Environment Interactions through the Institutional Analysis and Social-Ecological Systems Framework Lens,” (with John. M. Anderies). Invited lecture for the Mountain Climate (MtnClim) Conference, sponsored by the Mountain Resources Initiative, University of Bern, Switzerland. Midway, UT. September 17-18.
- “International Forestry Research and Institutions: Future Planning and Collaborations.” Invited presentation for the Agrawal Venture at the National Social-Environmental Synthesis Center (SESYNC), University of Maryland, Annapolis, MD. May 26-28.
- “The Complex Relationships between Local Communities and Forest/Woodland Systems from an Anthropological Point of View.” Invited lecture for the International Workshop “Woodlands and Forests as Frontiers of Dialogue between Law and Life Sciences,” University of Salento, Lecce, Italy. May 8-9.
- “Why Your Coffee Choices Matter.” Invited lecture, Global Learning Center, University of Illinois, Chicago. April 1-4.
- 2013 “International Forestry Research and Institutions: Current Activities.” Invited presentation for the Agrawal Venture at the National Social-Environmental Synthesis Center (SESYNC), University of Maryland, Annapolis, MD, June 18-19, October 28-31.
- “Environmental Dimensions of Coffee Production.” Invited presentation for the Global Mini-Conference, sponsored by the Institute for Curriculum and Campus Internationalization, Center for the Study of Global Change, Indiana University, Bloomington, May 21.
- “Overcoming the Odds: Community-Based Water Governance in Honduras.” Invited presentation for “Multi-Scalar and Cross-Disciplinary Approaches towards Equitable Water Governance.” A National Science Foundation Workshop in Cultural Anthropology. University of California, Santa Cruz, February 21-23.
- “Conflict, Compromise and Community: Managing forests and watersheds in Honduras.” Invited lecture at the Nicholas School of the Environment, Duke University, Durham, North Carolina, February 14-16.
- 2012 “Exploring Community-Based Forest and Watershed Conservation in Contexts of Rapid Change: A Honduran Case Study.” Invited lecture at the School of Natural Resources and Environment, University of Michigan, Ann Arbor, October 5.

- “Building Sustainability in Mountain Ecosystems in Central America.” Invited presentation for the MRI Synthesis Workshop on Building Resilience of Mountain Social-Ecological Systems to Global Change, Estes Park, Colorado, May 20-25.
- 2011 “The Business of Coffee: Local Experiences, Global Connections.” Invited presentation for the Global Mini-Conference of the Institute for Campus and Curriculum Internationalization. Sponsored by the Center for Business Education and Research and the Center for the Study of Global Change, Indiana University, Bloomington, May 23.
