COURSE DESCRIPTION

This course examines the enduring question “What is the Good Life?” from a broad range of humanistic perspectives. Topics include the cost of the good life, how people have chosen to live as members of local and global communities, and conceptions and expressions of beauty, power, love, and health.

COURSE WEB SITE

- General Good Life course site at [http://undergrad.aa.ufl.edu/hum-course.aspx](http://undergrad.aa.ufl.edu/hum-course.aspx)
- Course materials are available on Sakai at [https://lss.at.ufl.edu/](https://lss.at.ufl.edu/)

OVERVIEW
Through a close examination of relevant works of art, architecture, history, literature, music, religion, and philosophy, students will consider the basic question, “What is the Good Life?” The question is especially relevant for a detailed examination as you become more involved in making the decisions that will shape your future and the future of others. In order to make reasonable, ethical, well-informed life choices, you need to examine how you should live both as an individual and a member of local and global communities. The course will serve as an invitation to the Humanities and to a lifetime of reflection on the human condition through the unique opportunities available to the students at the University of Florida.

Drawing on the cluster of disciplines that make up the Humanities and the considerable resources at UF in support of the Humanities, this course inquires into the very nature and experience of being human. Applying interdisciplinary and cross-cultural approaches to explore the question “What is the good life?,” it examines a multiform treasury of responses that comprises the cultural and intellectual legacy of world humanity.

Elements common to all sections include a set of core readings, a common humanities lecture, a museum exhibit, and performances at the Phillip Center. The lectures, discussion sections, and other readings are specific to each section of this course.

**COMMON ACTIVITIES**

This course expects students to become actively engaged in experiences unique to UF. As such, course requirements include attending a performance at the Phillips Center, visiting the Harn Museum, and listening to the Common Good Life Lecture. More information on these activities can be found at the course Sakai site.
